CHECKLIST OF ITEMS TO BE BROUGHT TO SCHOOL

Jesuit Memorial College instills in its students the values of **simplicity and decency**. Parents are expected to promote these same values when procuring the items listed below. Every item should be in good condition and reasonably durable. Medical alerts and approved wrist watches are the only items to be worn on the wrist while in school. All items should be boldly and neatly tagged with the full name of the student.

Students are expected to bring to school when resuming for the term only the items listed below. After resumption, parents are welcome to bring items to school for students through the Vice Principal (Student Life). If, at any time in school, a student is found with any item not on this list, that item will be confiscated and the student punished. **Confiscated items are not returned to students or their parents but are recorded and given to the poor.**
